EDUCATION

University of North Carolina at Charlotte

Charlotte, NC

August 2022 - May 2026

Major: Data Science | Minors: Artificial Intelligence, Statistics

Dean's List, Fall 2025

Relevant Coursework: Database Design & Implementation; Applied Multivariate Analysis; Predictive Analytics; Modeling and Society; Matrices & Linear Algebra; Data and Society

EXPERIENCE

Marketing & Data Science Intern, Cacheconomy

March 2026 - Present

- Drive both marketing and data science initiatives at a MarTech/local SEO platform, bridging analytics with business strategy
- Clean, organize, and cluster large datasets to uncover actionable trends that shape marketing and business decisions
- Lead marketing initiatives spanning referral campaigns, business outreach, and social media content strategy

Research Assistant, Artificial Neural Networks & Gaussian Processes

Fall 2026 - Present

- Conduct research applying artificial neural networks, MC dropout, and Gaussian processes to model and analyze the brain's biological neural network

Job Shadow, Cisco

2023

- Shadowed Srinivas Sekha, Sr. Business Operations Lead, gaining firsthand exposure to enterprise business operations
- Learned and applied data cleaning and organization techniques used in real-world business workflows

PROJECTS

Carowinds Relational Database Design

Spring 2026

- Designed and implemented an Oracle SQL relational database themed around Carowinds theme park operations as part of a team project for a database design course

NC Senate Bill 257 Economic Impact Research (Cacheconomy)

Fall 2026 - Present

- Conducting ongoing research, connected to the Cacheconomy internship, analyzing the impact of NC Senate Bill 257 (2026 Appropriations Act) and related legislation on the Charlotte economy and local small businesses

LEADERSHIP

Mentor, UNC Charlotte Mentor Collective

Present

- Serve as a mentor to two mentees through UNC Charlotte's Mentor Collective program

Logistics and Operations Head, Aaj Ka Dhamaka (UNC Desi Dance Network)

2024 - 2025

- Directed end-to-end event logistics for a multi-team dance network, overseeing hotel bookings, venue selection, and food arrangements
- Sourced and negotiated vendor deals to secure cost-effective solutions across venues and services
- Managed scheduling and coordination of practice spaces across multiple participating dance teams
